

# Episeal SF

Hard-wearing solvent free epoxy floor coating for commercial and industrial applications

## Description

Two component high build epoxy, designed to seal, dustproof and protect concrete floors and walls. Low odour makes Episeal SF ideal for use in abattoirs, dairies, breweries, bakeries, food preparation and processing areas, where non-taint is essential. Accepts pedestrian & fork lift truck traffic. Available in Clear, Blue, Tile Red, Light Grey & Mid Grey

## System Benefits

- Easily installed by brush or roller
- Suitable for walls & floors
- Low odour; suitable for public areas & confined spaces
- Excellent chemical & abrasion resistance
- Dusting eliminated, along with the associated hazards
- Enhanced aesthetics & reduced maintenance costs
- Anti-slip achieved by incorporating quartz sand
- 100% solids content; hardwearing & long lasting

## Standard Compliance

Conforms to EN1504-2  
Surface protection system for concrete.

## Applications

- Aircraft hangars, highways, rail & marine
- Animal enclosures, pens & kennels
- Distillers & soft drink manufacturers
- Silos, tanks & water containment
- Production lines & clean rooms
- Warehouses & showrooms
- Washdown booths
- Loading bay platforms
- Basements
